

5 steps to your freight forwarding solution

1

Who are We

Centre for Combined Transport Zagreb Ltd – CKTZ is one of the top freight forwarders in Croatia and a reliable partner for your freight forwarding in SEE with focus on combined transport solutions.

2

Expert Solutions

With over 15 years of experience, we offer reliable, fast and cost-effective service integration for your supply chain. Logistics outsourcing can benefit your core business in many ways. Find out why!

3

Industrial projects

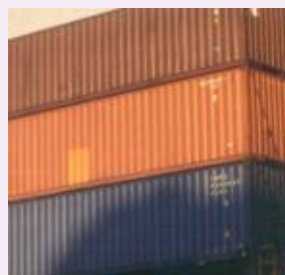

Our clients are industries like food, paper, wood, energy, building materials, metal and others. We service companies of all sizes, who often require tailor-made solutions. We also handle special cargo and dangerous goods.

4

One-stop Shop

From project design, coordination, execution and follow up, CKTZ acts as a service integrator. We control the entire process. You have a reliable partner and a single point of contact at any time.
